

## F-1 TRANSFER OUT FORM

Please review the "F-1 Transfer Out Information" sheet before completing this form. When you have completed this form, please return it to the Office of International Services (OIS). Please do not submit this form until you have been fully admitted to your new school, have chosen a specific transfer release date and attached a copy of your acceptance letter to this form.

**SEVIS Transfer Release date:**

Once your SEVIS record has been released to another school, you will no longer be eligible to work on-campus at OSU or on OPT authorized with your OSU I-20. Contact an international student advisor at the new school for information about on-campus work eligibility there. Students who transfer should be starting at the next available term but no longer than a 5 month break in studies is allowed.

Withdrawing from INTO OSU or OSU to transfer to another school during an academic term will result in you receiving a mark of "W" on your academic transcripts for any classes you did not complete. In the future, you may be asked to explain to an immigration official the details of why you received a "W" on your academic transcripts, and it could complicate or compromise any future immigration applications such as applying for a visa or a change of status to another visa type.
