INTO OSU I-20 EXTENSION REQUEST FORM

If you will not be able to complete your INTO OSU program by the end date on your I-20, you will need to request an I-20 extension to remain in valid F-1 status. Turn in this form with proof of funding to OIS at least two weeks prior to the end date on your I-20.

Proof of Funding Instructions:

F-1 Students: For the extension, you must demonstrate your ability to pay for all educational and living expenses for one academic year (12 months) or the length of the extension requested. To do this, you must complete the Online Financial Certification http://oregonstate.edu/international/f-1-student-financial-certification.

J-1 Students: You must show funding for the entire period of their extension. New financial documentation is required for each extension request. To show funding, you will need to provide financial documents as indicated below. See the “Financial Documentation Guidelines” handout (http://international.oregonstate.edu/ois/forms-and-documents) to determine the proof of funding amount you will need to provide. Please meet with an International Student Advisor if you want more guidance.
