### SPRINTAX - ONLINE TAX FILING SOFTWARE

#### How to File Your Taxes

OIS has purchased an online tax software called Sprintax to assist you with filing your federal income taxes. As an OSU student, you have **free** access to [Sprintax](#) ([www.sprintax.com](http://www.sprintax.com)).

OIS will send you a payment code via your **ONID email account** by late-February to use at [Sprintax](#) ([www.sprintax.com](http://www.sprintax.com)). If you have not received a Sprintax access code by late-February, please e-mail [ois.student@oregonstate.edu](mailto:ois.student@oregonstate.edu).

Sprintax can be accessed from any computer that is connected to the internet and a printer. [Sprintax](#) will help you prepare your tax return and provide you with step-by-step instructions of when to file, how to file, and where to file your taxes. Office of International Services (OIS) staff are not tax professionals and cannot assist international students with tax advising or tax return preparation. If you choose not to use Sprintax, you may use a tax professional or prepare your own tax return.

*Note: Federal tax preparation is free using OSU's Sprintax code; however, if you need to apply for an ITIN, file a State Tax form, or complete another tax service, there may be a small fee.*

#### About Sprintax

Sprintax has many benefits to international students, including the ability to use a 24-hour live instant messaging tool with tax experts to answer your questions. In addition, Sprintax will complete your taxes based on a series of questions about your situation, and will help you mail your printed tax forms. **You will not be able to submit your tax forms online.** If you have any questions about using the Sprintax software, please contact [info@sprintax.com](mailto:info@sprintax.com) or use the Live Messenger tool in your Sprintax account.

**Please do not share the Sprintax access code with anyone other than international students at OSU as we have a limited number available. The access code will be available on a first-come, first-serve basis, so please file your taxes early.**
