English Conversation Partners and Groups: Winter 2009

Crossroads International again plans to offer Conversation Partners and Groups, for students or faculty. To receive a partner, interested participants must attend a meeting from 10:30 – noon on January 12th, at the Corvallis Multicultural Literacy Center (128 SW 9th Street). There you will be advised about the program and potentially matched with a partner. The cost for this program is $5, to be paid at the 1/12 meeting.

Interested participants should fill out the request form on Crossroads’ website: http://oregonstate.edu/international/crossroads/programs and bring it to the first meeting on 1/12.
