OSU's Asia Strategy

Led by the Provost and Executive Vice President, University Relations and Marketing, the OSU Alumni Association, INTO OSU and International Programs, the Asia Strategy allows OSU to focus on enhancing alumni relationships, diversifying student enrollment, and identifying strategic international research and academic partners in China/Hong Kong, Indonesia, South Korea, Taiwan and Thailand.

During 2012-13, OSU either visited or received visitors from thirteen universities, some of which include: National Taiwan University, Dankook University, Chulalongkorn University, Nanjing Agricultural University, China Agricultural University, and National Yang-Ming University.

OSU's Internationalization Structure

International Programs works in collaboration with INTO OSU to recruit, admit and retain international students and advance the internationalization of the campus.

INTERNATIONAL PROGRAMS (IP)

Comprised of the three units below, IP manages international agreements between international institutions, coordinates visits for in-bound and out-bound delegations, and coordinates International Education Week, in collaboration with Colleges and other units on campus; Promotes Fulbright Scholar Program; Leads communication and reporting to campus of internationalization activities.

INTERNATIONAL DEGREE & EDUCATION ABROAD (IDEA):

Promotes participation in education abroad opportunities through campus outreach, student advising, and logistical support; Supports and encourages departmental study abroad/exchange programs; Supports faculty interested in developing and leading short-term programs; Collaborates with IE3 Global Internships; Promotes and administers IDEA-based and prestigious national education abroad scholarships such as Gilman and U.S. Student Fulbright; Oversees the International Degree (dual degree) program.

INTERNATIONAL STUDENT ADVISING & SERVICES (ISAS):

Provides on-going advising regarding visa and immigration status, employment, travel, cultural adjustment, enrollment issues, dependents, and more to all OSU international students (degree-seeking, exchange and INTO OSU); Primary contact for sponsored students and sponsoring agencies; Manages select merit and financial need-based scholarships for international students including the International Cultural Service Program (ICSP), Oversees Student Exchange Visitor Information System (SEVIS) reporting and compliance for all of OSU's campuses.

INTERNATIONAL SCHOLAR & FACULTY SERVICES (ISFS):

Assists Colleges in recruiting and retaining global talent to academic teaching and research positions by acquiring U.S. work authorization and permanent residence and facilitates hosting of international visiting scholars and student interns; Maintains a website resource for OSU faculty conducting research abroad; Serves as a central resource for international employees and hosting Colleges; Collaborates with OSU and community partners to enrich experiences of international visiting scholars and their families.

INTO Oregon State University

Established in 2008, INTO University Partnerships and Oregon State University began a long-term partnership designed to increase international student enrollment and further OSU's internationalization efforts. The INTO OSU Center is comprised of:

INTERNATIONAL ADMISSIONS:

Responsible for all OSU international admissions at the undergraduate degree-seeking level. In addition, this unit is responsible for admission to English language and Pathway programs, professional programs and the MBA; Administers the OSU International Provost's Scholarship and INTO OSU scholarship programs.

STUDENT EXPERIENCE:

Student Services provides a range of co-curricular programs and services promoting social, personal, and academic well-being for students studying English at INTO OSU: partners closely with OSU Student Affairs on student care, well-being, conduct, and housing; provides and promotes student engagement opportunities; manages the Cultural Ambassador Conversant Program and the Global Village Living-Learning Community; delivers wide-ranging cultural adjustment information and support.

ACADEMIC PROGRAMS:

The INTO OSU Academic team delivers intensive English programs, significant academic support and advising services. Undergraduate and Graduate Pathways programs prepare students to be successful in OSU degree programs through a structured program of English, study skills, and academic classes. Academic English prepares students for entry to OSU degree programs. General English/ Study Abroad with English allow students to study language, academics and campus life. The Learning Center in the ILLC provides a self-study setting, tutors, a computer lab and a library.
