ALTERNATE ENROLLMENT REQUEST

All international students are required by the US Department of Homeland Security (DHS) to register for and complete a full course of study each academic term. Oregon State University defines a full course of study as:

- Graduate students: a minimum of 9 credits
- Undergraduate students: a minimum of 12 credits
- Pathway program students: a minimum of 12 credits
- Academic English students: a minimum of 18 credits

Federal regulations do allow the following exceptions to full-time enrollment per degree level:

- **Final Term**: Available to students only during their final term of a degree/program level. It is recommended that you have credits on campus during your final term to maintain physical presence.
- **Reduced Enrollment**: Masters or Doctoral students in thesis programs who have completed all required coursework and all credits listed on the Graduate Program of Study, including all coursework related to the student’s minor or other areas of concentration and all required thesis hours, projects and seminars are eligible for up to 4 terms (Masters) or 6 terms (Doctoral) of Reduced Enrollment. A minimum of 3 credits is required each term. Please include a copy of the Graduate School approved Program of Study.
- **Academic Difficulties**: Limited to one of the reasons listed on page 2 of this form. It can be used once per degree/program level. Students are required to register at least half time during term of approval. Students must meet in person with an academic advisor to discuss their situation prior to receiving a signature.

Please note that a reduced course load CANNOT be approved solely for financial reasons, unavailability of a course, or an anticipated poor grade. This completed form must be received by the Office of International Services before dropping below full-time.

Approval for a Reduced Course Load (RCL) or Reduced Enrollment (RE) does not result in the removal of the un-needed classes from a student’s schedule. Students are responsible for adjusting their schedule themselves in accordance with academic deadlines. An approved RCL or RE does not guarantee refund or deferral of fees paid or incurred.

INTO OSU students: You must work with INTO OSU Advisor to withdraw from any classes. An approved RCL does not guarantee refund or deferral of fees paid or incurred. For request of refund or deferral, please complete a finance appeal form. Please reference your RCL as supporting information in your appeal.

**Sponsored Students ONLY**

I understand that I must obtain approval from my sponsor prior to reducing my course load and any financial or other sponsorship consequences are my responsibility. *Under the terms of our agreement with sponsors, OSU is required to provide enrollment information to sponsors.
