Social Security Verification Form (On-Campus Only)

Steps to acquiring a social security number

1. Receive an on-campus job offer.
2. Complete the first two sections of this form with your departmental hiring manager or supervisor.
3. If you are a new student at OSU and have not already attended International Student Orientation, you will need to complete the Immigration Document Check-In procedure described below and register full-time for your first term before OIS can complete the Verification Letter.
4. Visit the University Plaza during Drop-in advising hours (Monday - Friday, 2:00 to 4:30 pm). An international student advisor will complete the final portion of the Social Security Verification Letter, if you qualify. You may also drop off the letter at the OIS front desk and you will receive an email when the completed letter is ready for pick-up.
5. Bring your completed Social Security Verification Letter to the Social Security office in Albany to receive your social security number (you can only do this 30 days prior to the start of your employment) (please see below for directions and a list of required documents to bring with you). The Student Exchange Visitor Program (SEVP) advises that applicants for a social security card should be in the United States for more than ten days before going to the social security office to apply. This allows time for arrival data from the Port of Entry to be entered in the primary system that the social security administration uses for authorization validation.
